

January 25, 2021

Dear Valued Customer,

As healthcare providers continue to manage through the challenges of the COVID-19 pandemic, we are aware that industry shortages of sterile water product have begun to challenge your ability to care for your patients. Baxter has consistently increased production throughout the COVID-19 pandemic as demand continues to rise. Upon further notice of a potential industry shortage of sterile water beginning in November, we acted immediately with our operations team to further increase our production beyond our normal projected demand.

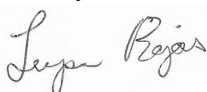

To ensure product availability as we work to increase production, Baxter will be placing the following codes on protective allocation effective January 26, 2021 through:

Product Code	Product Description	National Drug Code	Product Allocation
2B0304X	Sterile Water for Injection, USP, 1000 mL VIAFLEX Plastic Container. For Drug Diluent Use Only	0338-0013-04	200%
2B0306	Sterile Water for Injection, USP, 2000 mL VIAFLEX Plastic Container. Pharmacy Bulk Package	0338-0013-06	
2B0307	Sterile Water for Injection, USP, 3000 mL VIAFLEX Plastic Container. Pharmacy Bulk Package	0338-0013-08	
2B0309	Sterile Water for Injection, USP, 5000 mL VIAFLEX Plastic Container, Pharmacy Bulk Package	0338-0013-29	
2B7114X	Sterile Water for Irrigation, USP, 1000 mL UROMATIC Plastic Container	0338-0003-44	
2B7116	Sterile Water for Irrigation, USP, 2000 mL UROMATIC Plastic Container	0338-0003-46	
2B7117	Sterile Water for Irrigation, USP, 3000 mL UROMATIC Plastic Container	0338-0003-47	

We recognize the importance of supply continuity and are doing all we can to increase our production to meet demand as quickly as possible. We are committed to transparently and proactively communicating any changes in supply with you. To ensure you have the information you need to plan patient care, please visit the [Baxter Supply Resources](#) page on our website and download our Supply Availability Report to access the latest information on product supply.

If you have questions, please contact your Baxter representative or the Center for Service at 1-800-229-0001. If you prefer to manage your orders electronically, we encourage you to establish a Baxter eServices account on our eServices Center Registration Page.

Sincerely,

Lupe Rojas
