

Upgrade Now to My Baxter eServices Portal

Follow the steps below to upgrade today! Enjoy a more efficient way of working with Baxter.

STEP 1

Click [here](#) and fill out the short registration form. Then click "Continue."

Note: Have your Baxter account number and recent order or invoice number on hand; you may need them to register.

STEP 2

Watch for an email; it will contain your username. In the email, click the button "Verify Your Account" to visit the login page.

STEP 3

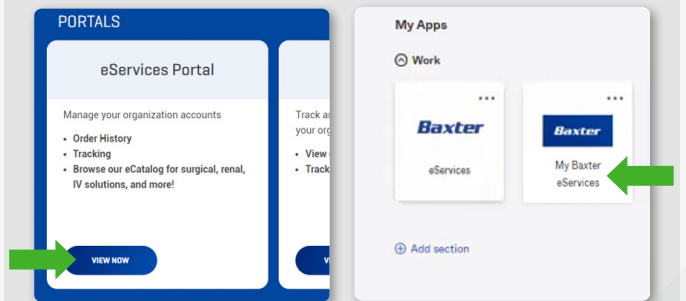

On the login page, enter your username and credentials. These have not changed from your previous eServices portal login.

Note: Remember to bookmark the page for future use — <https://my.baxter.com>

STEP 4

Click the **My Baxter eServices** tile to launch the portal. If you see the eServices Portal tile, click "View Now."

Note: You must agree to the Terms and Conditions upon launch.

The Next Step in Easy Order Management

Legacy eServices is now the **My Baxter eServices Portal** with additional features and an improved user experience. The easy-to-use interface gives you the ability to find exactly what you need to place and manage your product orders. Now you can track deliveries, view invoices, check product availability, and more — all in one place.
