

Comprehensive Portfolio for the Long-Term Care Pharmacy

From IV Premix Medications
to Drug Reconstitution Systems.
It's All About Care — Everywhere Care Is Given.

Baxter is your trusted partner across the spectrum of healthcare. Especially in the growing and evolving Long-Term Care Pharmacy environment. Our breadth of products and services support your needs.

DILUENTS WITH INTEGRATED RECONSTITUTION SYSTEM

We've built upon our drug reconstitution technology and integrated our single pack configuration to bring you an expanded portfolio. We offer options specially designed for your long-term care pharmacy and point-of-care needs.

- ✓ Convenience
- ✓ Compatibility
- ✓ Commitment

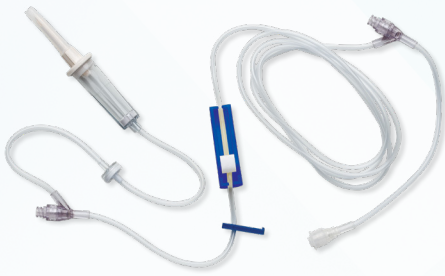

PREMIXED IV PRODUCTS

Ready-to-use premixes offer consistent drug concentrations to help minimize medication errors related to compounding.^{1,2} Baxter's premixed medications, manufactured following current Good Manufacturing Practice (cGMP), are convenient and ready to use when you need them.

CLINICAL NUTRITION

For more than 70 years, we've been assisting healthcare providers in treating patients' diverse nutrient needs. Today, we offer a comprehensive portfolio of products for acute and chronic patients who are unable to take adequate oral or enteral nutrition, or require supplemental parenteral nutrition.

- ExactaMix Pro Automated Compounders
- Amino Acids
- Vitamins
- Lipids
- Multi-chamber Bag Parenteral Nutrition (MCB-PN)

PHARMACEUTICAL PORTFOLIO

Baxter offers a portfolio of intravenous premixed medications and generic injectable drugs, including:

- Antibiotics/Antimicrobials
- Inotropic agents
- Anti-Emetics

IV AND IRRIGATION SOLUTIONS

We are committed to delivering patient-centric innovations that are designed to support access to the right product at the right time.

- SimplFusor Elastomeric Pump
- Large and Small Volume IV Solutions
- Irrigation solutions in bags and pour bottles
- Drug diluents with integrated vial adapter

Baxter is committed to meeting the needs of your Long-Term Care Pharmacy.
